EDUCATION

University of Minnesota Duluth

Bachelor of Science in Computer Science | Honors: Dean's List, Spring 2026

Expected May 2027

Duluth, MN

Relevant Coursework: Data Structures and Algorithms, Object-Oriented Programming, Software Engineering, Parallel Programming, Automata and Formal Languages, Discrete Mathematics, Linear Algebra, Statistics

Century College

Associate of Arts in Liberal Arts and Sciences

May 2025

White Bear Lake, MN

PROJECTS

FishingLog REST API

Java | Spring Boot | Git

- Built a fishing-log REST API with Java and Spring Boot using separate controller, service, and repository layers.
- Added GET, POST, PUT, and DELETE endpoints for fish records, plus searches by species and lake, record counts, and top-K fish by weight.
- Connected the API to PostgreSQL using Spring Data JPA so fish records persist between runs and IDs are generated by the database. Tested the endpoints in Postman and moved the database password out of the source code.

TECHNICAL SKILLS

Languages: Java, SQL **Frameworks:** Spring Boot, Spring Data JPA **Tools:** PostgreSQL, Postman, Git, GitHub, IntelliJ IDEA

Spoken Languages: English, Hmong

EXPERIENCE

Texas Roadhouse

Server, Expo, Busser

June 2022-Present

Woodbury, MN and Duluth, MN

- Manage service for sections of up to 16 guests while accurately handling orders, payments, dietary concerns, and service recovery in a high-volume restaurant.
- Train 5+ employees across front-of-house and back-of-house responsibilities, proper restaurant procedures and guest-service expectations.
- Coordinate communication between kitchen and serving staff as an expo, handling up to five completed tickets simultaneously to fulfill orders and timely service.
- Cross-trained across three roles and earned management support for a location transfer based on established performance and work ethic.

Menards

Courtesy Patrol, Cashier

March 2020-June 2022

Oakdale, MN

- Assisted customers with heavy merchandise, maintained safe loading areas, and processed purchases during shifts of approximately 25 hours per week.

LEADERSHIP

Eagle Scout, Boy Scouts of America

2022

- Planned and led a volunteer service project with at least 15 volunteers revitalizing a church trail and campfire area through landscaping, object restoration and woodchip installation.
- Properly handled preparation and safety requirements, including obtaining Safety Data Sheets for work involving excavation and landscaping materials.
